*\*Vibrant Life Night ~ part of a Mission Leadership Team and synod-led time of renewal and planning*

Bring a Bible and walk through the book of James with Pastor Paul.

Dig into God's word, spending time with others considering James' words on faith, patience, wisdom, and the lasting nature of God's word.

Every other Monday enjoy small group fellowship (see schedule on reverse). General focus areas of Life groups include:

*Prayer and Listening* Bible study, Brian Jordahl coordinator  
*Fruits of the Spirit* Parenting Group, Marie Baker coordinator  
Writing A Guiding Rule of Life, Sarah Storvick, coordinator  
Other Life Groups may form; talk to Sarah Storvick to learn more.

The first Monday each month, come to the worship area for a time of quiet prayer and reflection. Prayer ministers will be available, request cards can be submitted, resources for prayer will be available. Rest in God's presence.

Each month, gather with others to connect around a service project at 6 pm.

**October 15**, with help from a Thrivent Action Team grant, we will prepare freezer meals to give to anyone who would be encouraged by a nourishing meal. E-mail Sarah Storvick to assist or rsvp. Might your Life Group or ministry team consider hosting the November 15 service project?
