

## EXPANDING OUR WEB PRESENCE

*...the fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness,<sup>23</sup> gentleness, and self-control. There is no law against such things. Galatians 5:22-23*

God works powerfully at Resurrection. We have a story to tell!

As people experience a Vibrant Life they experience more love, more joy, more peace, more patience, more kindness, more generosity, more gentleness, and more self-control. More.

More people will hear about God's Vibrant Life as we **expand our web presence** through story telling. Stories inspire. Stories connect. Stories help us see our own journey in new ways. We have lots of Vibrant Life stories. We will tell those stories more effectively.

Through our expanded web presence people will connect to these stories through multiple formats, from video, art, original music and the written word.

Expanding our web presence will also allow us to share more timely information with our communities. We will integrate more with our data base systems so we can more effectively increase participation in Vibrant Life opportunities.

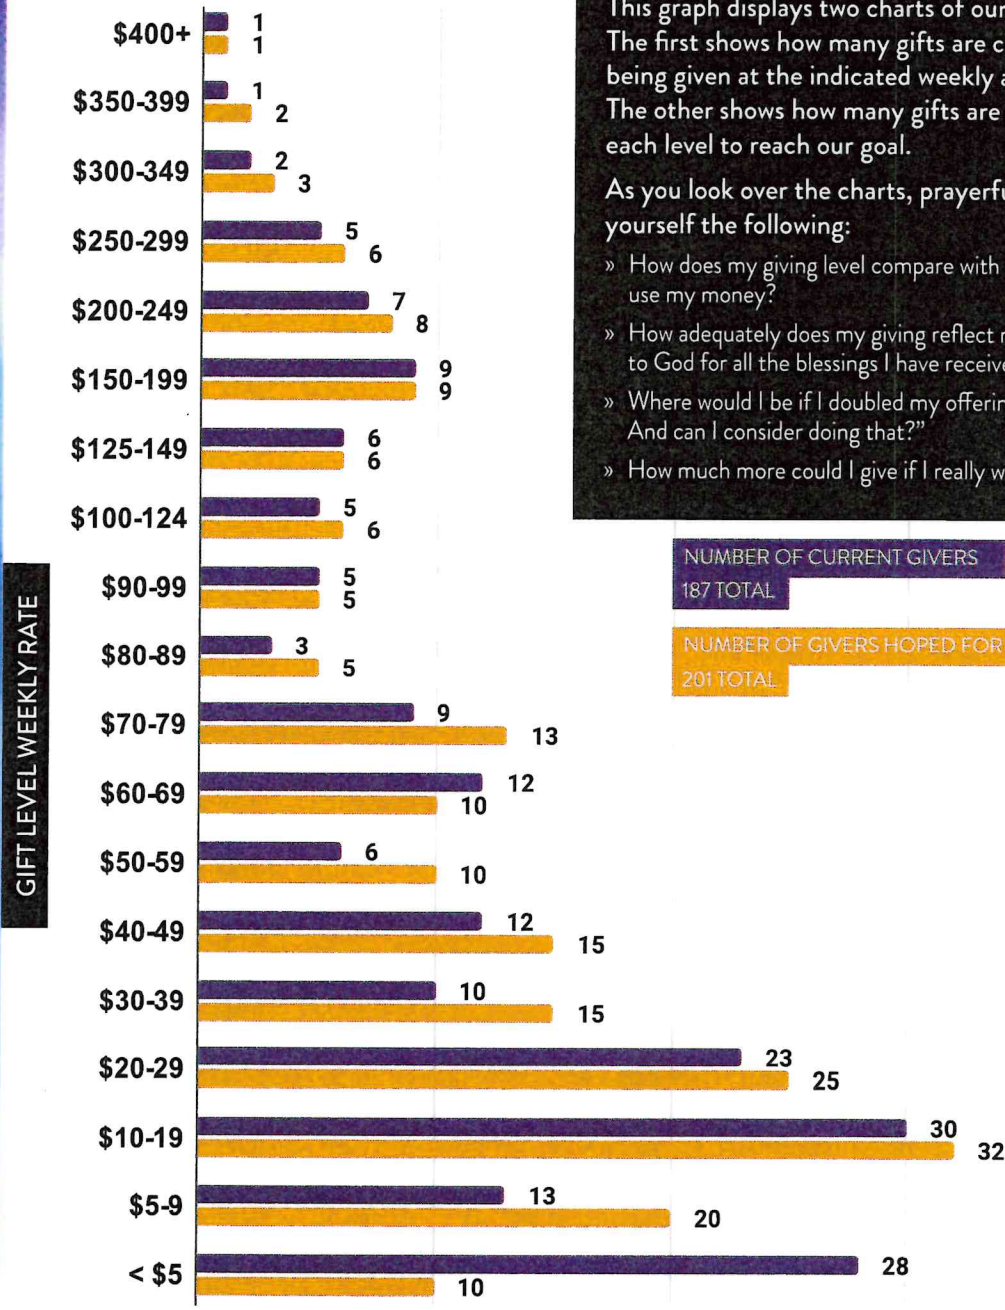

It's awesome that the Apostle Paul ends that section with "*There is no law against such things.*" So... let's have more of these things.

The goal of *Called to Vibrant Life Stewardship Appeal* is to meet this opportunity with our best efforts. **An increase in giving of \$120,000 (about \$2,300 per week) will meet this opportunity and our other opportunities.** Please pray for a generous response as you also prayerfully consider increasing your offering for this coming year as God calls you. Your generosity is key to Resurrection being a welcoming and inviting place for all to know and experience Vibrant Life.

On Called to Vibrant Life Sunday, November 13th, we will celebrate your generosity as you place your Statement of Intent for 2023 giving in the offering. You are also invited to mail in your Statement of Intent to the church office if you are not present during worship on November 13th.

RANGE OF GIFTS GIVEN AND HOPED FOR

This graph displays two charts of our giving. The first shows how many gifts are currently being given at the indicated weekly amounts. The other shows how many gifts are needed in each level to reach our goal.

As you look over the charts, prayerfully ask yourself the following:

- » How does my giving level compare with other ways I use my money?
- » How adequately does my giving reflect my gratitude to God for all the blessings I have received?
- » Where would I be if I doubled my offerings? And can I consider doing that?"
- » How much more could I give if I really wanted to?
