

CONNECTING WITH YOUNG FAMILIES: OPEN AND EXPAND CHILD CARE MINISTRY

Young couples and young families founded Resurrection. A welcoming child care ministry has been fundamental to the growth of Resurrection. Many of our current members raised their families at Resurrection. Over 25 years ago when they planted Resurrection, busy parents needed the partnership that a vibrant church provided them.

Fast forward these 25 years or so and we see even busier young families who desperately need a vibrant partner to help them raise their family, a vibrant partner to offer child care at strategic times so our parents can lean into Vibrant Life. Child care they can trust and one that helps their kiddos experience Vibrant Life as well.

We will find highly trained and competent staff committed to their own journey of vibrancy. Our child care is not simply a “babysitter”. It is deep and broad ministry to families.

We will upgrade technology that connects to our live worship events, other live events in our worship space, and technology used to teach our kiddos.

In an impactful move, we will expand our hours to include more than Sunday morning worship. We will provide space and time for parents to meet other parents and for couples to more deeply engage their own relationships, knowing that their kids are well taken care of. Expanded hours will allow them to journey more deeply into Vibrant Life with others.

The goal of *Called to Vibrant Life Stewardship Appeal* is to meet this opportunity with our best efforts. **To open and expand our child care ministry is one part of the overall goal of increasing our giving by \$120,000 (about \$2,300 per week) in 2023.** Please pray for a generous response as you also prayerfully consider increasing your offering for this coming year. Your generosity is key to Resurrection continuing to be a place where families can grow in Vibrant Life together.

RANGE OF GIFTS GIVEN AND HOPED FOR

This graph displays two charts of our giving. The first shows how many gifts are currently being given at the indicated weekly amounts. The other shows how many gifts are needed in each level to reach our goal.

As you look over the charts, prayerfully ask yourself the following:

- » How does my giving level compare with other ways I use my money?
- » How adequately does my giving reflect my gratitude to God for all the blessings I have received?
- » Where would I be if I doubled my offerings? And can I consider doing that?"
- » How much more could I give if I really wanted to?
