

# HIGH SCHOOL COLORADO ADVENTURE TRIP BUENA VISTA

## What/Who/Where is Noah's Ark?

For over 40 years, Noah's Ark has been called to challenge and encourage people in their relationship with God and others through outdoor adventure. Buena Vista is a friendly and welcoming mountain town with opportunities for adventure, located between the Collegiate Peaks and the Arkansas River.

## What will we do during our trip?

During the week in Buena Vista, our group will explore God's creation in fun and exciting ways. Our days will consist of a white-water trip down the Brown's Canyon section of the Arkansas River, hiking the mountains, rock climbing, and enjoying the small mountain town. Each day will also include worship, exploring the Bible, and discussing our faith. We will be challenged spiritually and mentally through this experience while building great relationships with one another.

## How will we get there? Where will we stay?

We will drive to/from Colorado and make an overnight stop on each leg of the trip to rest.

If we have enough participants, Noah's Ark provides camping and meals on their site. Their site includes weather-proof huts, bathrooms, a shower house, a volleyball court, fire pits, fishing, and large group gathering spaces.

If we do not have enough participants to stay at Noah's Ark, we will seek camping options nearby and prepare our meals each day.
